## G. O. P. Plans Lincoln Week Celebration

Victory Dinner & Program  
Set for Feb. 13 in  
Waukegan

Preliminary plans for a Republican Lincoln Week Celebration were formulated last night for a huge county-wide victory celebration for the entertainment and enjoyment of Republicans throughout the county, and especially in honor of those who devoted their time and effort to the recent state and county Republican victories.

The affair is to be held on the evening of Thursday, Feb. 13, at the Waukegan Township High School gymnasium, and will be part of a nationwide program to celebrate Lincoln week, and the great strides made by the Republican party due to his profound leadership.

A full and complete evening's entertainment is promised to all who attend. Present plans include two orchestras for dancing, various intermission entertainment, and the County organization has been promised a speaker of national importance for the occasion. State and County Republican officials are to be honored guests.

This celebration is sponsored by the Lake County Central committee, headed by William M. Marks of Lake Villa, chairman, assisted by the various county Republican organizations, County Veterans' committee, the Women's organization, and the various county labor organizations, and is to be staged by the Lake County Young Republican club.

Admission is to be free of charge, and the general public is invited to attend and to join in the fun.

## Fred Loof, 83, Dies at Home After Illness

Resident of Community for  
75 Years Succumbs at  
Bluff Lake

Fred Loof, 83, died at his home at Bluff Lake yesterday shortly after 6 p. m. following several weeks illness of a complication of diseases common to old age. His condition became serious several days ago and Mr. and Mrs. J. C. Nixon, step-daughter and husband, were summoned from Los Angeles, Calif.

He came from Germany 75 years ago with his parents and had been a resident of this community during the remainder of his life. He operated a farm near Bluff Lake and 12 years ago he established a camp on the lake which became popular with tourists and vacationists. Since his retirement the camp has been operated by his step-son, John Lucas.

After the death of his first wife, his second marriage was to Mrs. Therese Lucas, in 1925. His mother passed away nine years ago, and his father died 22 years ago. A brother, Otto, died in 1916. A nephew, Louis Rieschhoff, lives in Riverside, Calif.

Funeral services will be held at two o'clock Saturday afternoon from the Strang funeral home in Antioch with the Rev. W. C. Henslee in charge of the service. Burial will be in Grass Lake cemetery.

## Mrs. Jennie Whitcher Dies at Bristol Home

Mrs. Jennie Whitcher, 84, widow of the late Charles Whitcher, a former sheriff of Kenosha county, died last Wednesday at the home of a daughter, Mrs. John Alderson, Bristol. She was a leader in the community, particularly in lodge and church work, and leaves a host of friends to mourn her passing.

She was born August 13, 1856, in Brighton township, a daughter of the late Mr. and Mrs. William Gunter, and is the last member of that family. The deceased was a charter member of Bristol Chapter No. 164 of the Order of the Eastern Star, and was president of the Ladies' Aid Society of the Bristol M. E. church.

Surviving are two daughters, Mrs. Myra Alderson, and Mrs. Bessie Gaines, and one son, Lawrence, all of Bristol. Four grandchildren and one great grandson also survive. Her husband, a son, Roy, and a daughter, Florence, preceded her in death.

The body was brought to the Strang funeral home here, and later removed to Bristol where funeral services were held Saturday afternoon at 2 o'clock at the Bristol M. E. church. Burial was in Paris Corners cemetery.

## THE NEW HOUSEKEEPER

## Huber Named Supervisor of Fire Zone 1

Plans for Five Fire Districts  
Made at County Fire-  
men's Meeting

A delegation of eight Antioch firemen, three delegates and five members, attended the monthly meeting of Lake county firemen at Fox Lake Monday night, when a total of 200 delegates and members gathered from all parts of the county representing 20 departments.

The first order of business was the reading of a resolution asking all departments to support a proposed bill calling for a ban on the sale of fireworks in the state of Illinois, except such fireworks as are to be fired by a special detail of responsible men or a committee in charge from the organization sponsoring the celebration. The departments were asked to contact representatives to support such a bill. Antioch firemen always were in favor of this legislation, it was announced—(continued on page 5)

## Law Makers to Be Guests of Municipal Officers Tomorrow

Senator Ray Paddock and Representatives Nicholas M. Keller, Harold Kelsey and Thomas Bolger will be guests of the Lake County Municipal Council at a dinner meeting in the Deerpath Inn, Lake Forest, Friday evening, January 31st, 1941, at 6:30.

These meetings are becoming increasingly popular and this meeting will be especially well attended inasmuch as the legislators will discuss various bills affecting municipalities, which are pending before the current session of the legislature.

Corporation Counsel George McGaughey of Waukegan is the chairman of the arrangements committee, assisted by J. C. McNicol, city manager of Lake Forest, and Edwin Burgess, police magistrate.

All municipalities are urged to have all officials in attendance, including police chiefs, superintendents of streets, and various other city employees, as many matters of interest to municipalities will be discussed.

Richard F. Hire is the present president of the Municipal Council, and John D. Luce, City Clerk of Zion, is the secretary.

## Future Farmers Defeat Woodstock in Basketball

On Monday evening, the local F. F. A. basketball group traveled to Woodstock to defeat the Woodstock chapter boys by a score of 21 to 18.

It was a hard fought game all the way through.

On the Antioch team are: Robert Bolton, Norman Edwards, Richard Hartnell, Edward Dunford, Arnold Bolton, and Ray Patrick.

The Woodstock chapter treated the local boys to a lunch after the game. C. L. Kuttel accompanied the Antioch team to Woodstock.

Mr. and Mrs. Carl Reiser have been vacationing in Florida.

## Annual T.B. Meeting to Be Held Feb. 4

Dr. Carswell, Noted Authority,  
to Be Dinner Speaker  
at Karcher Hotel

Mrs. Gerard Fossland of Winthrop Harbor, Rev. Howard Ganster of Waukegan, and Edgar T. Stephens of Zion have been appointed on the general arrangements committee for the annual meeting of the Lake County Tuberculosis association.

Mrs. Fossland reports that plans are being made for a dinner meeting on Tuesday, Feb. 4, at 6:30 p. m., in the Karcher hotel, Waukegan. Those wishing to attend are kindly requested to make reservations with the office, Majestic 1805, by noon, Saturday, Feb. 1st.

The public is invited and urged to attend. All persons contributing \$2.00 to the annual Christmas Seal Sale of the Association are members of the Association. All other friends of the association are cordially welcome.

Mrs. Fossland promises a good dinner and an interesting program. This has been a good year for the association, and an even better program may be arranged for the coming year as the association has had a good response to the annual Christmas Seal sale.

Dr. Carswell, executive secretary of the Wisconsin Anti-Tuberculosis association will be the principal speaker of the evening. Dr. Carswell has had varied experience in tuberculosis work in Alaska and Canada before coming to Wisconsin.

W. P. Shahan, executive secretary of the Illinois Tuberculosis association will bring a message from our own State association.

## Paddock Named To Commerce Committee

The Tenth Congressional District has received substantial recognition in the election of Congressman George A. Paddock to membership on the interstate and Foreign Commerce committee of the House of Representatives. Mr. Paddock will be the only new Republican congressman on that important committee.

Drawing its powers from the famous "Commerce Clause" of the Constitution, the Interstate and Foreign Commerce has legislative jurisdiction over such diverse fields as the railroads, the coal industry, and commercial aviation. It also passes on food-and-drug legislation, defines navigable streams and rivers, and considers bills regulating commercial brands, and travelers and agents in interstate commerce.

Recent legislation which has passed through the Commerce committee includes the Federal Communications act, the Securities Exchange Commission act, and the public utilities holding company act.

Stephen A. Day, Illinois congressman-at-large, is on the civil service and flood control committee, and William G. Stratton, congressman-at-large, is on the labor and revision of laws committees. Day and Stratton are both Republicans.

## Radio Will Carry Address of Mrs. Matthiesen Feb. 4

On February 4th at 9:30 P. M., Mrs. A. F. Matthiesen will broadcast over WRJN, the Racine station—1370 kilocycles. The subject of the broadcast will be "The Fellowship of Faith."

## Great Mid-Winter Wrestling Card To Aid 'March of Dimes'

Silverstein, Davis, Schuh  
and McMillen Lend Tal-  
ent as Headliners

Like the swallows to Capistrano, the wrestlers return to Grayslake Friday night, Jan. 31, to perform in a benefit show sponsored by the Grayslake committee for the campaign against infantile paralysis. This committee headed by Postmaster Mancel Wightman has lined up a first class card of wrestling bouts, any one of which could be put on as a main event.

Ralph "Ruffy" Silverstein, who is well known and well liked by Lake county fans, will be paired off with Dizzy Davis, eccentric newcomer from Kansas. Davis vows the fans when he steps into the ring wearing a zebra striped bath robe, with rhinestone initials, and a bouquet pinned to the lapel. However his subsequent actions give the lie to his gaudy raiment, because when he gets down to the business of wrestling, it takes a really good man to make him say "uncle."

This bout is a 60 minute time limit affair as is the match between Jim McMillen and Peter (the great) Schuh. Schuh is a burly behemoth weighing 260 odd pounds, of which 60 pounds seems to be beard. Pete's beard would make Rasputin the Mad Monk turn green with envy. Schuh claims he grew the beard for defense purposes. Not national defense but as a cushion to protect his chops from some of the Southern hospitality encountered while wrestling under Texas rules in the gulf states.

## Two Prelims

Two very fine preliminary bouts in support of the double main event will bring together Paul Bozell vs. Karol Krauser and Mike London against Frankie Hill. Krauser is a Polish boy with the figure of an Adonis and the strength of Paul Bunyan. In Bozell he is meeting a crafty ring master who thrives on musing up pretty boys and seems to enjoy being hissed as the villain in the plot.

## John Nett, 79, of Wilmot, Dead of Heart Attack

Funeral for Former Merchant and Town Treasurer Set for Saturday

A heart attack caused the death of John Nett, 79, veteran merchant of Wilmot, at 11 o'clock this morning. He seemed to be in his usual state of health this morning and had walked down to Wilmot's business district when he was stricken near the store he had operated there for so many years.

Born in Niedermaes, Germany, Dec. 16, 1861, the son of Mr. and Mrs. John Nett, Sr., he lost his father when only five years old, and came to America with his mother, Mrs. Catherine Nett, when he was 10 years of age, and the family settled in Johnsbury. There he attended the German Catholic school and worked in the general store of Robert Tweed at Spring Grove.

On April 13, 1887, he was married to Miss Margaret Wright in McHenry, and the couple spent all but five years of their married life in Wilmot. There they celebrated their golden wedding anniversary in 1937.

In 1892 he became the partner of Walter Carey in a general merchandise store, which for 17 years was operated under the firm name of Carey & Nett. He bought out his partner in 1909, and conducted the business under his own name until his retirement five years ago, when he retired his stock and partially destroyed the building in which it was located.

Mr. Nett's civic activities included service as treasurer of Salem township, clerk of the Union Free High school board and treasurer of the Wilmot Creamery association. He was one of the public spirited citizens who worked for the building of the high school gymnasium.

He was the father of Mrs. Katherine Nett Schenning of Bristol, and Benjamin Nett, Wilmot grocer.

Funeral services will be held from Holy Name church on Saturday, the hour to be announced.

Mrs. S. Boyer Nelson spent Friday in Chicago. Her son, Harold, accompanied her home and spent the week-end here.

## Big "Antioch Dollar Days" Will Be Held Feb. 7 and 8

Lions Make Plans for  
Fete; You Guessed It—  
So Does Fox Lake

The Antioch Lions' club must have a gift for picking the right dates, it is being generally conceded, for as soon as they decide on those for their annual summer festival, someone else wants 'em. . . . At least, that was the case last year, when the Antioch Lions decided on August 9, 10 and 11 for the festival, and a Fox Lake celebration was slated for the same week-end.

This year, the Antioch Lions followed their annual custom of selecting their festival dates—which will be August 8, 9 and 10—well in advance and informing everyone else, including fellow Lions clubs—of their intentions. And—you've guessed it—Fox Lake has decided to follow suit, picking August 8, 9, 10 and 11.

Because of celebrations at Lake Villa and Wilmot, it will be inadvisable for the Antioch Lions to advance their dates, it was decided at a meeting Monday evening in the Masonic temple. This possibility was discussed, but the Antioch Lions finally determined to keep to their original plans.

Members of the Antioch Eastern Star served the dinner preceding the meeting. On the committee were Mmes. O. E. Hachmeister, Elmer Hunter, Irving Elms and H. B. Gaston.

## Van Patten Kin Honored in Kansas

Mr. and Mrs. H. W. VanPatten Celebrate 65th Wedding Anniversary

Mr. and Mrs. Homer W. Van Patten, former residents of Antioch community, are receiving congratulations from friends and many press notices far and wide upon attaining the rare achievement of 65 years of wedded life. They are residents of Almena, Kansas, and among their congratulatory messages was one from the secretary of the state of Kansas.

The following regarding the event is reprinted from the Almena Plaindealer:

Mr. and Mrs. H. W. Van Patten, well known and respected Almena residents, who recently celebrated their sixty-fifth wedding anniversary, received the following congratulatory letter Tuesday of this week, from Jay S. Parker, Attorney General of the State of Kansas:

State of Kansas  
Office of Attorney General  
Topeka  
Jan. 20, 1941

Mr. and Mrs. H. W. Van Patten  
Almena, Kansas

I note from the Sunday issue of the Topeka Daily Capital you have recently celebrated your sixty-fifth wedding anniversary.

Men and women who go through life's journey in marital happiness for this length of time are an asset to their community and richly deserve the congratulations of all those who believe in good government.

Please accept my heartiest congratulations and best wishes. It is my sincere hope that you may have many more happy anniversaries in years to come.

Sincerely yours,  
JAY S. PARKER,  
Attorney General

The Van Patten family originally came from Holland, and Homer H. was the son of the seventh generation of Van Pattens in this country. He was born on a farm near Antioch, and in young manhood was married to Hannah Bry. Soon after their marriage they went west and eventually located in Kansas where they have made their home for over half a century.

Recently the pair was honored for their 60 years active work with the Odd Fellow and Royal Neighbor organizations.

He is the brother of Charles E. and Jake Van Patten and the uncle of Lew and Art Van Patten of Antioch.

## High School to Meet Palatine Here Friday

Antioch won a 27-20 victory over Grant High of Fox Lake, Friday evening in the Grant gymnasium. The Sequoits' second team lost to Grant in the preliminary, 9-11.

Friday evening, Palatine High school will send teams here for a conference game with Antioch.

## Many Bargains Will Be Offered During Event

Merchants Prepare to Offer  
Splendid Array of Shop-  
ping Values

Last winter's "Antioch Dollar Days" sale was a real education in shopping values, local residents and visitors who thronged here from other localities agreed.

This year Antioch merchants are determined to offer an even finer "festival of bargains" Friday and Saturday, Feb. 7 and 8. Myriads of bargains to suit every purse will be displayed on their counters and shelves.

Plan to visit Antioch on those days—and read your Antioch News next week for word of the numerous "good buys" in many lines of merchandise or service in stores and establishments decorated with official "Antioch Dollar Days" cards and pennants.

## Cash Prizes

Then, too, you MAY be one of the lucky ones to win one of the cash prizes Antioch Merchants are joining in offering their shopper friends. Shoppers may register at "Dollar Days" stores where their purchases are made.

Prize awards will be made to the biggest family of shoppers, to the oldest shopper, and to the shopper from Lake or adjoining counties coming the greatest distance.

## "Shop — and Save!"

For more than 60 years Antioch has been famous as a shopping center, and Antioch merchants pride themselves on the fine quality and large selection of goods they are able to offer.

Antioch business men are pleased that at this season of the year they can express their appreciation for their customers' patronage by offering many bargains — bargains that will offer families the chance to effect real savings in their budgets.

"Stop and Shop in Antioch during Dollar Days," they advise. "Take advantage of the many opportunities that will be offered to stock up on household needs at bargain prices!"

"You'll find Antioch's compact, easily accessible business district a delight to shop in — and ample parking space will help to make your shopping easier."

## Kuhaupt Ends Half Century With Soo Line Railroad

Began Work for Old "Wis-  
consin Central" Back in  
March, 1891

When George Kuhaupt, station agent at the "Soo Line" depot in Antioch, retired on Jan. 17, he brought to a close nearly 50 years of service with the Chicago, St. Paul and Sault Ste. Marie railroad.

Kuhaupt began working for the old Wisconsin Central railroad (later to become known as the "Soo Line"—for Sault, or "Soo" Sainte Marie) on March 20, 1891.

His first job was at Custer, Wis. A short time later he went to Allenton, Wis., and while there was married to Lena Schmal of Jackson, Wis.

From Allenton he was transferred to Lake Villa, in 1903.

In June, 1904, he came to Antioch, and has been here ever since.

Kuhaupt, who does not look his 70 (?) years, does not expect to find time hanging heavily on his hands now that he is retired. The home which he and his wife have on Park avenue has a fair-sized yard, the care of which he believes will require some of his time and attention—and the raising of chickens is another hobby to which he can now devote more time.

John D. Moore of Boyd, Wis., is acting as relief agent at the Antioch station until Station Agent Keeney of Honey Creek, Wis., arrives to take over its management.

The second semester of the school year at Antioch High school will open today. The first semester ended Wednesday. Examinations were held at the school during the past week.

## More Requests Coming

In his speech before Congress in which he promised all-out aid to Great Britain and asked for tremendous appropriations for our own national defense, President Roosevelt naturally received the approval of the British newspapers. But there was a fly in the ointment, even at that, according to cable dispatches from London. They would have liked it had the President been more specific. They are sorry he didn't say anything about sending munitions to Great Britain under convoy by American warships.

This is undoubtedly what will be asked for next, and most students of world affairs believe that it will be followed by our entrance into the war, as an inevitable aftermath. That is why there is so considerable opinion that 1941 will end up as a war year for the United States.

When the war first started we were informed by Great Britain and France that all they needed were airplanes and other munitions manufactured in the United States. These they would transport to Europe after paying for them. But things have grown progressively more serious. We are informed now that Great Britain

must have credit. The next request will be for armed convoys of American warships. The final one will be for an expeditionary force to free the little democracies from the heel of the tyrant Hitler.

The country by its election verdict approved the sending of all-out aid to Great Britain. Let us now realize the consequences which may ensue so that we will be prepared for them.

## The Price of a Job

A Tribune reporter, Mr. William Thompson, found that to get a job as a common laborer at Fort Sheridan or the Great Lakes naval station the applicant must pay a union initiation fee of \$40 and \$2 dues in advance. To get work as a carpenter the corresponding charge was \$122.

This experience helps answer one question and raises another. Progress in erecting the cantonments around the country has been disappointingly slow. If a shortage of labor has contributed at all to the delays the union initiation fee offers an obvious explanation. A great many men are kept in idleness for lack of the union fee. To a man out of work \$42 is a lot of money.

The question that is raised is what becomes of the money? To what use is it put? Does it go into a trust fund and if so, who are the trustees and who the beneficiaries? Is an accounting of the sums collected given the union members? If so, by whom and how often?

The requirement of the initiation fee is another reminder that unions should be required periodically to submit their accounts to public scrutiny. That would discourage racketeering at the expense of workmen and the public at large.—Chicago Tribune.

## HICKORY

Mr. and Mrs. Otto Christensen announce the arrival of twins, a boy and a girl, on Thursday afternoon, Jan. 23, at their home on Pikeville road. The girl, "Elaine," weighs 5 1/2 lbs. and the boy, "Duane," weighs 6 lbs. Mrs. Oscar Neuhous is the nurse. Mother and babies are doing fine.

Remember the public card party at the Hickory school house, on Friday evening, Jan. 31.

Mr. and Mrs. Miller from Downers Grove and Mr. and Mrs. Ward Edwards and son, from Joliet, spent Wednesday at the Bert Edwards home.

Mr. and Mrs. G. A. Lange and Barbara from Hebron, visited the E. W. King home on Sunday.

R. W. Palmer from Wausaukee, Wis., visited last week at the home of his sister, Mrs. Ralph Caywood.

The Seefeldt family have moved to a farm near Plano, Ill.

Several folks received cards last week from the Spiering family, from Mexico.

Mr. and Mrs. Max Living and sons visited the Anderson home in Lake Villa Sunday afternoon. Mrs. O. Anderson gave a party in honor of the birthday anniversary of her daughter, Mrs. George Olsen of Robert Griffin of Chicago was home over Sunday.

Frank Sevey and family of Kenosha spent Saturday afternoon at the Max Irving home.

Earl Crawford attended the funeral of his cousin, Wesley Lewin, in Waukegan, Saturday afternoon.

Mr. and Mrs. Ray A. Harmer and friends from Waukegan called at the Gordon Wells home Monday evening of this week.

Mrs. E. W. King, Miss Floy Dixon and Mrs. George Vose were visitors at a Home Bureau luncheon, at the home of Mrs. Helen Volk in Libertyville, Thursday.

## Yesterdays

47 YEARS AGO  
In the Antioch News  
Jan. 25, 1894

On Loon Lake the ice is said to be nearly eight inches thick, while on Camp Lake it is only about five. Only the other day a team broke through the ice at Camp Lake.

J. J. Morley represented Antioch's sporting element at the Corbett-Mitchell fight. John will return during the latter part of the week with full particulars of the contest.

The numerous friends of Bob Wilson were pleased to see him once more directing the dangers at our opera house Friday evening last. Bob is one of the old timers and used to play the violin when we were considerable younger and at the dance Friday evening we took part in one quadrille—we could not help it—as the music carried us back to the days of "auld lang syne," when we were a boy. In this respect we were not the only one, as we noticed Corporal Coon and other old timers nimbly tripping the light fantastic, as gay and happy as in the days of old.

35 YEARS AGO  
Feb. 2, 1906

It is admitted in Zion City that Apostle Dowie is a sick man, and previous to his departure for Jamaica he made his will and disposed of his vast belongings. Ninety-five percent of the estate estimated at \$21,000,000 goes to Zion City corporation, two and one-half percent to educational settlements and city improvements. The remaining two and one-half percent goes to Mrs. Jane Dowie and Gladstone Dowie.

The Waukegan Weekly Sun of last week said that upon the recent visit of County Clerk Hendee to Antioch he called upon Senator A. N. Tiffany at his place of business and was treated to a case of "cold feet." We think the Sun has another guess coming, as Senator Tiffany was not at his office at the time Mr. Hendee called, neither was he in town upon that day.

22 YEARS AGO  
Jan. 30, 1919

Prize winners in the Lake County Corn show held at Libertyville last week included J. G. Bonner, J. H. Bon-

ner, Rouse Bros., R. G. White, A. G. Hughes, Gordon Bonner, William Bonner, D. H. Minto.

Ray Webb writes to his mother, Mrs. George Webb, from a hospital near Vichy, France, where he has been since Oct. 10. "There are several orange trees all bearing fruit, besides palms, bamboo, fig and cork trees, cactus and tropical plants of many kinds. The roses are in bloom. . . . The doctor said I would be well in two months at the most." Clarence White writes from Manin Hausen, Germany, "Mother's box got here Christmas morning with everything in fine shape. . . . We sure were a happy bunch when we heard that the Armistice had been signed. . . . The old truck that I have got has a few shrapnel holes in it, but I was very lucky and got through fine."

The Antiochs will meet the Wilmoits in a basketball game Friday evening.

On the day that the Armistice was signed, the American army on the western front was second in strength only to that of France itself, and was larger than that of the British, according to official figures made public in Washington.

## SALEM

Mrs. Florence Gallart visited her daughter, Mrs. Lee Wilson, at Trevor Saturday afternoon.

Robert Patrick has returned from Gotha, Fla., where he spent the past three weeks with Mr. and Mrs. Lloyd Henslee.

Miss June Hartnell spent the weekend with Kay Carey of Twin Lakes.

Mr. and Mrs. George Mandermack and daughter, Leslie Ann, spent the weekend with Mrs. Annie Minnis.

Miss Enola Minnis has returned from Mayo Brothers clinic at Rochester, Minn., where she has been for the past few weeks for treatment.

Mr. and Mrs. Ernest Schatten of Chicago spent the week-end with their parents, Mr. and Mrs. George Biemer.

Mr. and Mrs. Leo McVicar and daughter, Alice, spent Sunday in Kenosha where they visited Mr. and Mrs. H. E. McVicar.

Mr. and Mrs. Emerald Schultz and son, Richard, Robert and James Manning drove to Sheboygan Saturday to attend the funeral of their grandmother, Mrs. Herman.

Robert Mooney of Wisconsin University spent the week-end with his mother, Mrs. Bertha Mooney.

Mr. and Mrs. Lewis of Kenosha called on Mr. and Mrs. Morton Ronie Saturday evening.

Mr. and Mrs. Austin Stoxen and daughter, Betty, were Kenosha shoppers Saturday.

Miss Wilma Schmidt and Henry Frauchay were Sunday dinner guests of Mr. and Mrs. Frank Schmidt.

Byron Patrick and son, Robert, visited relatives in Trevor Sunday forenoon.

Mr. and Mrs. Ray Stoxen and children of Wilmoit visited Mr. and Mrs. A. C. Stoxen Sunday.

Mrs. Ada Huntoon spent the week-end at her home here in Salem.

The Men's Civic club met Tuesday evening in the Methodist church basement. The annual election was held and resulted as follows: Alfred Schmidt, president; A. C. Stoxen, vice-president; Edward Evans, secretary. The next meeting will be held Feb. 26.

## When Chickens Have Bad Colds What Do You Do?

## Simple Precautions Help Protect Flock's Health.

Whenever you have a bad cold you try to get lots of rest, keep warm, perhaps take a mild laxative, and eat foods rich in vitamins, because you have found these things aid nature in throwing off the cold.

It's just as possible to help a hen throw off her cold, according to Grafton Lohrop, head of the Sanitation Department, Purina Mills.

"Although no one seems to know just what causes colds in humans, research in recent years has demonstrated that colds in chickens are caused by a specific germ infection. Unfavorable surroundings such as poorly ventilated, drafty houses or exposure to cold wet weather will reduce the resistance of a flock and render it more susceptible to this infection. The need for good care, adequate nutrition and a sanitation program which will help prevent the introduction of this infection is readily apparent."

Colds in chickens as a rule begin with a thin nasal discharge followed by a collection of cheesy material in the sinuses of the head and a swelling about the eyes. The affected birds shows a loss of appetite, falls off in production and bodyweight, and become droopy.

If infectious colds should break out in your flock, Lohrop suggests the following seven-point poultry sanitation program—

1. Eliminate drafts, dampness and crowding.
2. Scrub fountains with a stiff brush daily and disinfect with a Chlorox solution.
3. Give the birds a mild flush if it appears necessary.
4. Clean the poultry house thoroughly and disinfect with a Creso-fee solution. Supply plenty of dry litter.
5. Immediately remove the sick birds and burn those which die.
6. When evidence of colds is first observed, close the house and dust the birds with Chlorox Powder until they sneeze freely. Repeat with light dustings daily until the birds show improvement.
7. Keep the birds on full feed. If feed consumption drops, feed Layena checkers at night. To further increase feed consumption it may be advisable to add to the laying mash an appetizer like Chex-R-Ton.

EDITOR'S NOTE: Chlorox, Creso-fee and Chex-R-Ton are handled by our local distributor for flock owners to help control the colds that may develop in their chickens. He has complete directions for their use.

## LAKE VILLA

The "Hobby Show" sponsored by the Parent-Teacher association at the school-house last Friday evening was well attended and brought out a number of interesting hobbies. Mrs. Frances Barnstable was awarded first prize on a crocheted tablecloth, Mrs. Ada Barnstable second on an exhibit of elephant miniatures, and third to Mrs. Swanson for an exhibit of curios from Norway.

The Ladies' Aid society will meet Wednesday afternoon, Feb. 5, with Mrs. Ethel Wood at her home on Cedar avenue and visitors are welcome.

Mr. and Mrs. Theodore Brabec of Chicago visited their niece, Mrs. Fred Hamlin, last Thursday.

We are very glad to report the improvement of Karen Martin, six year old daughter of Mr. and Mrs. Gordon Martin, and she is at her home.

Miss Libbie Petru returned this week to her home in Chicago after a several weeks' stay with her cousin, Mrs. Fred Hamlin.

Mr. and Mrs. Russell Nickerson entertained relatives from Galena last Saturday and Sunday and they all spent Sunday in Chicago.

Mrs. Lester Hamlin spent Wednesday with her parents, Mr. and Mrs. Arthur Nauta, in Waukegan.

Mrs. Harriet Ballenger's house, which has been remodeled so as to make two complete apartments, is nearing completion and is being papered and painted inside.

Mr. and Mrs. John Effinger are enlarging their home and adding a basement.

Mrs. Leo Barnstable was a Waukegan visitor Monday.

Mrs. Ethel Wood entertained her Sewing club at a luncheon at her home last Thursday afternoon.

Mrs. Swanson attended a concert in Chicago last Friday.

Lake Villa Community Methodist Church

January 28, 1941

A "WIN THREE BY EASTER" campaign has been launched in the Church and its several programs with the object in view of increasing the average attendance of every Sunday School class by three, every other service by three, and every other organization affiliated with the Church by three by Easter. The campaign is designed to increase not only the attendance of the Church programs but more important, the effectiveness of the several programs.

A huge chart has been prepared on which the records of attendance will be charted from now until Easter, clearly showing any decline or gain in every class and department. Posters are being placed in all of the major business houses of town to further aid the em-

phasis of "A Busy Church, on a Busy Highway!"

Friday night, Jan. 31, a Family Fellowship Night is to be held in the social hall of the church, at which time all the families of the Church will gather around the tables at 7 o'clock for a pot-luck supper and general fellowship hour. This is the first of a series of such suppers, which will occur on the last Friday night of every month. A genuine spirit of friendship and fellowship together is the object of these social nights, and a strictly informal evening is arranged. Special music, motion pictures, and various other activities will be on the order of business for the program. Every family in the town is invited to attend these Fellowship suppers, the only requirement being that a covered dish be brought along with "something in it."

A monthly publication, "The Wayside Chapel," from the Church on the Busy Highway, was promoted by the Official Board a few weeks ago in their regular meeting, and the first issue will make its appearance this week. The booklet will contain thoughts and poems of interest and inspiration and many items of interest pertaining to the Church and its many programs.

A very fine feature of the publication will be a complete Church calendar of meetings and other functions for the coming month. A copy will be placed in every home at no cost, but gifts will be accepted to further the work of future issues.

## IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

By HAROLD L. LUNDQUIST, D. D.  
Dean of The Moody Bible Institute  
of Chicago.  
(Released by Western Newspaper Union.)

### Lesson for February 2

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

### THE INDIVIDUAL'S RESPONSIBILITY REGARDING BEVERAGE ALCOHOL

LESSON TEXT—Habakkuk 2:15; Genesis 4:9-12; Mark 9:42-46; 1 Thessalonians 5:22.  
GOLDEN TEXT—Abstain from every form of evil.—1 Thessalonians 5:22, R. V.

"Responsible for the drunkards of my community? Not me; I am against the use of intoxicating liquors." Such is the answer Christian men and women would probably make if faced with that accusation. But wait! Responsibility means more than just refraining oneself or speaking against "booze" in a church meeting. Before we finish the study of our lesson, we may find ourselves guilty of the charge, and needing to ask forgiveness, and see the need of bringing forth works meet unto repentance. We hear God's Word telling us:

#### I. Do Not Tempt Your Neighbor (Hab. 2:15).

God is very severe in judgment upon those who tempt others. Of course He condemns the one who gives another a drink of liquor. Nothing could be more despicable than to start a man or woman on the way to a drunkard's grave. There can be no question about the guilt of the one who makes the stuff and the one who sells it. But beyond that, those are guilty who share in the profits from such a business, who rent their buildings for the manufacture or sale of liquor, who vote to legalize its sale or support politicians who do such things; in fact, everyone who encourages, condones, or in any way profits, whether directly or indirectly, from "the traffic." Are you still "not guilty"?

#### II. Do Not Fail Your Brother (Gen. 4:9-12).

Everyone who says, "Am I my brother's keeper?" classes himself with the murderer Cain. Certainly I am my brother's keeper. This is the positive side of the matter. It is not enough that I do not tempt my brother. The question is: "Have I neglected to do anything that I could and should have done to save him?"

That makes it my positive business to eliminate every possible temptation. It means that the Christ, an is vitally concerned about the taverns, road houses, dance halls, and what not, which entrap and destroy our young people. It is not enough to passively lament their presence; we must actively seek their removal. It can be done, and is being done all over the land.

#### III. Do Not Offend Children (Mark 9:42).

The Lord holds His followers to a high measure of responsibility regarding the children whose lives they touch, whether they be in their own family, or in the community in which they live.

Children are innocent until their elders make them otherwise. In their innocence they are trustful and ready to learn. Their knowledge of the right way to live is received from their parents and other grown-ups, and (mark it well!) they learn more from what we do than from what we say.

Here is the question each one of us should honestly face right now: "How does my daily walk influence the children who see me?" Let us answer that in the light of verse 42.

#### IV. Abstain From Evil—Judgment Is Coming (Mark 9:43-48; 1 Thess. 5:22).

The Christian is called to abstain from "all appearance of evil" or, as the Revised Version puts it, "every form of evil" (1 Thess. 5:22). That may call for the sternest kind of self-denial (Mark 9:43-47), but why not? We do not follow a Christ who sought for Himself the way of ease or comfort. He gave Himself in complete and willing sacrifice, going even to the death of Calvary's tree for us. Do we then falter and seek the easy way?

The fact that there is a day of judgment to come is something to remember, but may we not stress the other side of the truth. "The very sternness of our Lord's strictures regarding the importance of self-denial only serves to enhance the value of the privilege we enjoy in being citizens of the kingdom of God. If it is worth the loss of a hand, a foot, or an eye to gain that life, then, in view of the great value we place on these members of our bodies, how great must be our divine privilege. Christianity is not merely a negative religion, but it takes the negative similes to show us the positive glories" (Dr. John W. Bradbury).

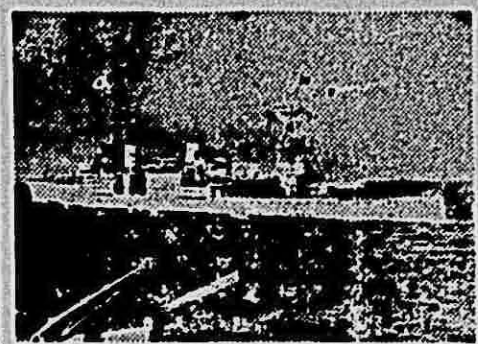

**God Send Us Men**  
God send us men with hearts ablaze,  
All truth to love, all wrong to hate;  
These are the patriots nations need,  
These are the bulwarks of the state.  
—Anon.

## Orchids from a Holly Grower

Buick SUPER  
Sedan, \$1185.\*

**ORDINARILY** we don't go in for owner-testimonials.

But every now and then, along comes a letter that so perfectly portrays the way Buick owners feel about their cars that we haven't the heart to keep it from you.

Here, for example, we quote from Mr. Ambrose Brownell, English holly grower of Milwaukee, Ore.

"... When I drove that '41 SUPER out of Flint... and started a circle trip home... I jotted down each gas purchase and mileage to sort of figure my expenses...

"It wasn't long before I got suspicious of something wrong... The gas gauge needle just didn't go down fast enough...

"But, Roy, all the way home it

was the same story. The Buick wormed through miles of city traffic... made numberless stops to inquire directions, purred along in sizzling heat that made my feet feel like two fried eggs, breezed over the Rockies at 9,000 elevation... and finally fairly stole home through the sinuous Columbia Gorge.

"Statistics? Of course: 3,200 miles; 165 gallons... Ethyl gas; 19.51 miles per gallon; gas expense—1<sup>2</sup>/<sub>100</sub>¢ per mile; total out-of-pocket expense—1<sup>28</sup>/<sub>100</sub>¢ per mile.

"... Roy, I'm glad I bought a Buick."

Mr. Brownell has other nice things to say about his Compound Carburetion-equipped 1941 SUPER.

But the point is that everywhere Buick is running up such astonishing records for thrift that letters like this are commonplace.

Why not drop in on your local dealer and try out the thrifty traveler that brings us orchids from a holly grower?

## "Military Ball" to Feature Floor Show and "Grand March"

The annual Washington's Birthday party of Antioch American Legion post will take the form of a Military Ball to be held in the high school gymnasium Saturday evening, Feb. 22, it was announced following a meeting Friday evening in the Legion club-rooms.

A floor show and a "grand march" in which all attending will take part will be features.

Invitations are being extended to certain divisions of officers and enlisted men at both Fort Sheridan and Great Lakes and to other Lake county representatives of the military forces of the nation.

Capt. L. D. Powles is chairman of the general committee, assisted by Roman Vos, Dr. A. P. Bratrude, W. K. Hills, John Theisen, J. H. Messing and John Horan.

The Military Ball will be a departure from the Legion's usual custom in that attendance will not be limited to Legionnaires and their guests. Because of this, the general committee is selecting other persons outside the membership of the Legion to assist on various committees for the ball.

Tickets, which will be 50 cents per person, will be available in the near future from members of the Legion.

## PLANS FOR METHODIST WOMEN'S MEETING TOLD

Refreshments will follow a joint meeting of Friendship Circle and Wesley Circle of the Antioch Methodist Woman's association Friday evening in the home of Mrs. W. C. Petty.

Mrs. D. E. Cruce of Grayslake will be the speaker, giving a talk on "Out-look."

Next Wednesday, Feb. 5, a meeting of Wesley Circle will be held in the home of Mrs. Frank Spangard, with Mrs. Walter Hieber as co-hostess.

Wesley Circle's second meeting in February, which would regularly fall on Wednesday, Feb. 20, in Mrs. Petty's home. An interesting program is being planned.

## NANCY SHEEHAN HAS SIXTH BIRTHDAY

Monday was Nancy Ruth Sheehan's sixth birthday, so her parents, the Eugene Sheehan, Jr.'s of Victoria St., invited 15 of her little friends in for a party. Everything was in pink and blue including the balloons, and the children had a most enjoyable time, concluding with a lunch of cake, ice cream and candy. For the boys' games played, Dennis Kennedy won first prize and the girls' prize was won by Doris Peterson. Evening callers were Mr. and Mrs. Paul Avery, Mr. and Mrs. Paul Avery, Jr., and Mrs. Dandley Kennedy. Nancy received many lovely gifts.

## JENSENS TO LEAVE ON MEXICAN TRIP

Dr. and Mrs. G. W. Jensen, who plan to leave Saturday on a trip to Mexico City, were honored at a surprise party at their home Monday evening by Messrs. and Mrs. Ed. F. Vos, Herman Rosing and C. B. Shultis. Informal "visiting" and a luncheon were enjoyed.

## LEGION AUXILIARY WILL HOLD 14TH "BIRTHDAY DINNER"

Members of the Antioch Unit of the American Legion auxiliary will hold their "Fourteenth Birthday Dinner" on Friday, Feb. 28, at 7:00 P. M., in the Masonic hall.

Legionnaires and husbands of the Auxiliary members have been invited. Mrs. Earl Hays is chairman.

Antioch Unit members are invited to attend the dedication of the new home of the Sharvin Post, of North Chicago on Saturday, Feb. 1, the local officers announce.

Open house will be held from 2:00 p. m. with dancing starting at 9:00.

## THIRTY ENROLL IN HYGIENE COURSE

The first meeting of the class on home hygiene and care of the sick was merely in the nature of a get-acquainted affair, but the thirty women of the Lake County Home Bureau who enrolled and attended last Thursday showed active interest in the coming 12 lessons which will be given in two-hour periods every Friday starting at 1:30 p. m.

Miss Helen Frederick, district health nurse who is in charge, distributed textbooks and talked briefly on the fundamentals of the course. She also extended an invitation to members to bring outsiders to the weekly lessons.

## METHODIST MILLION

Owing to the very severe snow storm last Sunday very little was received for the Emergency War Relief Fund of a million dollars to be raised by all Methodists and their friends. Therefore I am asking those who have not made their contribution of one dollar or more to do so next Sunday. Bring it to the morning service or mail it to me immediately. I must send this fund in at once that it may begin its mission of mercy. Thank you.

### CHRISTIAN SCIENCE CHURCHES

"Truth" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 26.

The Golden Text was, "Thou art near, O Lord; and all thy commandments are truth. Concerning thy testimonies, I have known of old that thou hast founded them for ever" (Psalms 119:151, 152).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people" (Matthew 4:23).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The best sermon ever preached is Truth practised and demonstrated by the destruction of sin, sickness, and death. We cannot build safely on false foundations. Truth makes a new creature, in whom old things pass away and 'all things are become new'" (p. 201).

## Plays Go Into Rehearsal for H.S. Tournament

Rehearsals for the annual Inter-Class Play tournament are now in progress at the Antioch High school. Four plays will be presented each night and an all-star cast of seven will be selected each night, as well as the best play.

The Drama shield will be presented to the class receiving the greatest number of first places; the judge to be from another high school and unacquainted with any of the students. Points will be given for excellence of characterization and understanding of dramatic technique.

On Monday night, Feb. 17, "Alice in Wonderland," a fantasy, followed by "Buddy Buys an Orchid," a comedy, and "Tea at Four," a mystery, closing with "Archie Comes Home," will make up the program.

The tournament will continue Tuesday, Feb. 18th, with the romantic farce "South of the Border," "The Last Curtain," a play centered around the story of John Wilkes Booth and the shooting of Lincoln at the old Ford Theatre; "Mayor for a Day," a comedy of when youth takes over the city government. Closing the tournament will be "And Then Percival Fainted."

Tickets will be on sale next week and can be purchased from all members of the play casts.

## Rentner Is Named Dist.

Mrs. Baker will speak upon the subject: "What Can We Do About Peace?" A social hour will follow.

Mrs. Baker, who is a nationally known lecturer, has just completed a tour of the South, where she addressed general gatherings, peace forums, clubs

and universities, outlining the need for a federated government of the world and a universal faith. Dr. William Hale, president of Tennessee State College, greeted her message with the statement: "This program for world peace is unanswerable."

Mrs. Baker is a member of the renowned family of Henry Ward Beecher, noted orator and author. During the past two years she addressed groups all over the United States and Canada, including in her audiences Rotary, Lions and Kiwanis clubs; school and university groups, Parent-Teacher associations, peace panels, forums and Business Women's clubs. She has spoken over many radio stations.

## Enrollment On Increase At Evening School

## "What Is New in Poultry Equipment" to Be Studied

Last week's attendance at the Antioch High School Evening school had a 25 per cent increase in the enrollment over the previous week. Fifty-five attended the poultry classes. This was one of the largest attendances ever present at a night school at the Antioch school.

Next week Thursday, Feb. 6, at 7:45 p. m. the subject of Poultry Buildings and Equipment will be studied. Several pieces of equipment will be demonstrated and slides showing the construction of buildings will be flashed on the screen.

Those having problems are urged to present them at the meeting for discussion and exchange of ideas.

## Mrs. Effie Seymour Dies in Chicago.

The body of Mrs. Effie Seymour, 66, who died last Wednesday in Chicago following a short illness, was brought to Antioch for burial Saturday.

Although Mrs. Seymour had made her home in Chicago for a number of years, she was born at Grass Lake, the daughter of Mr. and Mrs. Effinger.

She was united in marriage with Fred Harden, and four children were born to them. Surviving are two sons, Leslie E. Harden of Chicago, and Russell J. Harden of Fond du Lac, and a daughter, Mrs. Arlene Ross of Chicago. Another daughter preceded her in death.

She was later married to Mr. Seymour. Mrs. Seymour's death was unexpected and came as a severe shock to her relatives and friends.

She had visited a sister, Mrs. Frank (Rose) Mathews, in Burlington, Wis., at Christmas time, and although feeling ill had insisted on returning to Chicago, stopping over en route at the home of a brother, Alfred Effinger, in Waukegan.

She is survived by two other sisters in addition to Mrs. Mathews. Mrs. Lucy Ames of LaGrange, Ill., and Mrs. Walter (Cora) Thomas of Milwaukee.

The funeral services were held in Chicago, at the chapel on East Sixty-third street and Evans avenue.

## STATE'S FINANCES O.K. DESPITE STELLE'S 100-DAY SPENDING SPREE

After conference with State financial executives, Governor Dwight H. Green issued a statement declaring that despite "padded payrolls, particularly in November and December," and "contracts let in excess of necessity," there will be no serious shortage in the State's general revenue funds. "All necessary expenditures of departments will be made and the State will pay its bills promptly as usual," the Governor said.

The Governor pointed out that money for relief and old age assistance has been set aside in special funds, so that the customary schedule of payments for these purposes will be maintained.

During their first week in office, the code department directors appointed by Governor Dwight H. Green lopped from the State payroll approximately five hundred unnecessary employees. Most of the persons dropped had been appointed during the last three months.

MISS CASEY IS NEW  
TEACHER AT SCHOOL

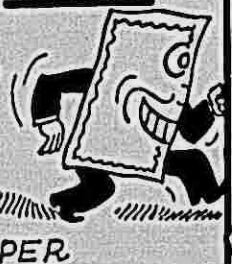

Miss Jeanne Casey of Libertyville has been secured to take the place of Miss Ruth Henn, fourth grade teacher at Antioch Grade school. Miss Casey began on her new duties here last week.

Miss Henn, who has been in poor health of recent months and had been advised by her doctor to take an extended rest, offered her resignation at Christmas time, but stayed on until her place could be filled.

Principal R. E. Clabaugh of the Grade school and the school board state that Miss Casey comes here with excellent recommendations. She is a graduate of Lake Forest college and has taken summer courses at the National College of Education in Evanston. During the past six years she has taught in Lake county schools, including the Murray school.

## Firemen . . .

(Continued from page 1.)

In fact Antioch firemen were first in this section to have an ordinance passed forbidding the storage, sale or "bootlegging" of fireworks of any kind within the village limits.

Another resolution brought up for consideration was first started by the Fox Lake department—to have placed on statutes a bill to oblige townships to organize fire districts. Antioch firemen have taken this resolution under advisement for further discussion.

Noel E. White of Fox Lake talked on progress being made on the Volunteer Firemen's pension bill, with regard to the division of Fire districts in Lake county now in force. The departments were each given a county map to have their respective district marked off—each zone consisting of various fire departments.

Frank Huber of Antioch was named general chairman for Zone 1.

The various zones and the chairmen are as follows:

Zone 1—Antioch, Fox Lake, Lake Villa, portion of Grayslake and Round Lake; Frank Huber, Antioch, chairman.

Zone 2—Libertyville, portion of Mundelein, portion of Grayslake, Wauconda. Ed. Schneider, Libertyville, chairman.

Zone 3—Long Grove, Lake Zurich, portion of Mundelein, portion of Wauconda. J. Umdenstock, Long Grove, chairman.

Zone 4—Waukegan, North Chicago, Great Lakes, Zion. Joseph Wada, Gurnee, chairman.

Zone 5—Lake Forest, Lake Bluff, Highland Park, Deerfield. Edw. C. Hoskins, Highland Park, chairman.

Each of the zone chairmen was instructed to appoint committees to assist him in outlining the boundaries of operation of the fire companies within his district.

## Eliminates Friction

The plan when completed is expected to eliminate possible conflicts between fire departments by defining the sections in which they will operate and to afford better fire protection to all districts by definitely placing them under the jurisdiction of specified fire departments.

John Townsend, of Chicago, an executive of the National Board of Fire Underwriters, explained the proper use of tarpaulins in protecting the contents of a building against damage from smoke and water during a fire.

With all but two affiliated departments in the county being represented, the attendance was the largest reported at a monthly meeting of the association in more than a year. At the close of the business meeting more than 100 of the visitors were guests for refreshments at Fox Lake village hall.

## Present Resolution

A resolution adopted by the Fox Lake fire department demanding that township fire districts be established by state law was presented. Each of the member departments was asked to discuss the resolution, and report back to Fox Lake officials.

A bill prohibiting the statewide sale of fireworks, soon to be introduced in the Legislature, was read by Secretary Norman Conrad of Waukegan, but there was no comment for action.

It was announced that the annual convention of the Firemen's association will be held May 26 at Grayslake.

Regular business was carried on Tuesday night by Antioch firemen at their meeting, and most of the firemen are "knocking on wood" as to why the spell of "no fires" is continuing. There was only one fire alarm in December (at State Line road and Highway 41), and January may close with a clean slate.

Chief James Stearns reported on the new 3-section all metal ladder ordered and being made at the Peter Pirsch Fire Equipment company, Kenosha.

The district tank truck has been removed to what the firemen now call Station 2, near the Antioch pump house where remodeling was done to make room for the emergency truck, district truck and village dump truck. Station 2 will be kept heated.

Members of the fire district are looking around with expectations of making a purchase in the near future of a front-end pump to put on the district tank truck.

Members of the emergency squad, as Red Cross instructors, truck drivers, radio engineers have been listed by the disaster chairman of Antioch Post of American Legion, John Horan, with Homer G. Bradney, Illinois chairman of the vast disaster program for the state.

Captain L. D. Powles will mobilize this unit some time in February to cover a general alarm to effect a call for disaster assistance to any point in the state, so as to acquaint themselves with considerations that may really happen in time of flood, fire or storm.

Rescue Squad is  
Praised for Help  
Given in Emergency

Gratitude to the Antioch rescue squad for its timely help in preventing an accident from having more serious consequences than it did is expressed in a letter which has just been received here.

It reads, in part, as follows:

"To the rescue squad and its associates—Mr. Edward Sorensen and myself wish to thank each one for helping him in his recent accident that occurred in the village of Antioch.

"He felt very much pleased to have his friends at hand in such great trouble. . . . He was released from the hospital Wednesday afternoon, but is under doctor's care and will be home for an indefinite period.

"If there is anything in the near future that Mr. Sorensen can do for you, do not hesitate to call upon him.

Mr. and Mrs. Edward Sorensen."

Mr. Sorensen, who lives in Chicago during the winter but has a summer cottage at Powers Lake and is well known here, suffered injuries to his spine in a fall here Jan. 13.

When a doctor warned members of his family against attempting to move him in a car and it was found that no ambulance would be immediately available, members of the rescue squad took him to Willard hospital, Chicago, in the rescue truck, on a stretcher.

The care with which he was moved may have prevented his having received permanent spinal injuries, according to Dr. H. H. Warren, eminent Chicago specialist at Willard.

Sorensen is still confined to his bed, where he is "packed" in sand bags. He is one of four brothers who operate the Sorensen Trucking service of Chicago.

Skiers and tobogganers in bright costumes, out from Chicago and other cities to enjoy the winter sports at Antioch and Wilmet hills, add considerable color to the main street. Many of them avoid the rush of winter sports enthusiasts during the week-end by coming out on week days instead.

We see where John and Elsie Steitz of Bluff lake are inviting their friends up for toboggan rides any night in the week. Also there's ice skating.

And down at Haling's on Grass lake you're almost sure to find a hockey game in progress any night.

If 1941 turns out to be a happy year for the world it will surprise more people than any New Year has surprised us within the memory of living man.

GREEN CHICKS ARE  
HATCHED FROM EGGS  
WITH GREEN YOLKS

It sounds almost unbelievable, but at the International Baby Chick Convention in St. Louis, Missouri, last summer thousands of persons had their first opportunity to see colored chicks hatched from eggs with bright, vivid green yolks.

For several years now, poultry nutrition specialists have been controlling yolk color. The range of control has been from yolks with almost no color to a bright red or green. The purpose has been to show that a hen's ration not only directly controls yolk color but that it also controls certain nutrients and vitamins that are in the egg.

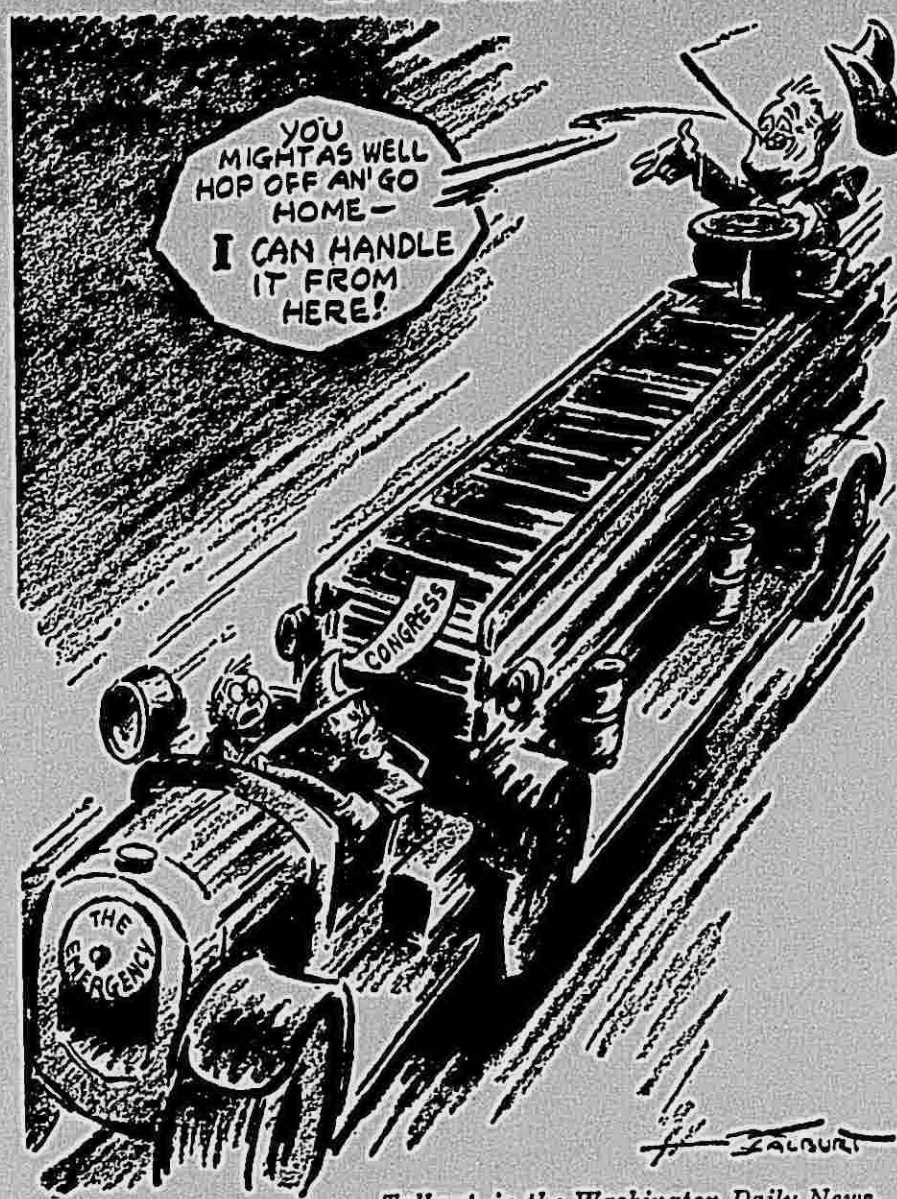

This year, Purina Mills decided to try hatching chicks from eggs with green yolks. What happened was so startling that the Purina display at the big annual convention of hatcherymen featured chicks hatched from green yolked eggs.

The display included a pen of five pullets eating a laying mash in which the green coloring matter was mixed. Actually, eggs with green yolks were produced right at the convention. Naturally, the eggs attracted a great deal of attention.

Each day, two newly hatched chicks from green yolked eggs that had been previously set were autopsied and displayed in a glass case. The effect of the ration fed the breeders could plainly be seen. It was amazing how the green coloring matter had been transferred from breeder hen's ration to the chick to the egg.

According to C. S. Johnson, head of the poultry department at Purina Mills, the importance of properly feeding breeder hens so they can put into their eggs the proper nutrients for the development of the chick embryo is becoming better understood each year. As a result, embryo feeding is taking its place alongside breeding, disease control, and incubation as one of the most important factors influencing livability, growth and future profit with chicks.

## Vote in Senate Holds Key to Decision On Extent of U. S. Plans to Aid British; Auto Industry Adopts 'All-Out' Schedule In Drive to Boost Defense Production

### NATIONAL DEBATE: America's Role

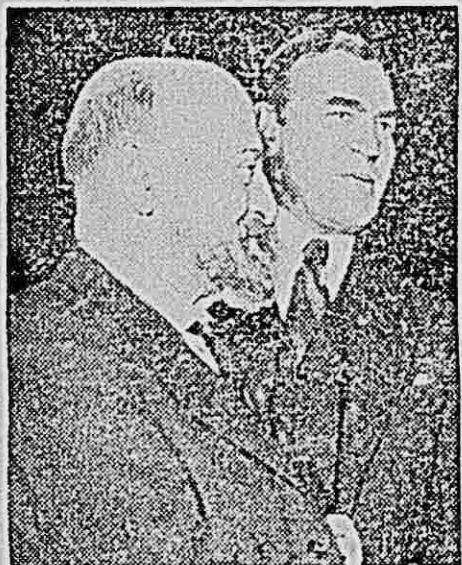

A state which, in the epoch of race poisoning, dedicates itself to cherishing its best racial elements must some day be master of the world. Let the adherents of our movement never forget this.—Closing words of Adolf Hitler's "Mein Kampf."

In the historic halls where Clay and Webster debated, where an empire was planned by the winning of the West, where Woodrow Wilson pledged "our lives, our fortunes and our sacred honor" in the cause of democracy, another crisis of America is being weighed in the balance.

Congress is considering what will be the results of a policy of unrestricted help to Great Britain in her moment of travail with German might.

President Roosevelt asked for unprecedented powers to deal with the situation, powers which will make this nation an economic ally, if not a belligerent one, with the last outpost against authoritative government in Europe. His bill would permit him to lease or lend England, without further congressional consultation, all material aid in the way of munitions and supplies. It is admitted generally that these supplies, if they can be manufactured and arrive in time, will be the only way in which Britain can hold out. Even with them, Britain is given but a 50-50 chance.

Even the inaugural ceremonies which placed Mr. Roosevelt in office for the third term lacked the usual gaiety due to the somber effects of the hour. The battle al-

REP. TINKHAM AND REP. FISH  
They "bellowed" opposition.

ready had begun in the house. Cabinet members told legislators that a crushing blow will be started by the Axis powers within 60 or 90 days. As an echo, came word from Berlin and Rome confirming this prediction.

### Opposition

But there was no sign of quick agreement. Isolationists, including Representative Fish (R., N. Y.) and Tinkham (R., Mass.) bellowed their opposition. The bearded Massachusetts congressman shook his finger at Secretaries Knox, Stimson and Morgenthau and challenged them to prove that if Britain falls the United States will be attacked.

Isolationist views are that an America of 130,000,000 people can stand alone; that Hitler and Japan would be ready to do business on just as good terms with us as would a victorious Britain; that all-out aid to Britain will only create vast taxes and vast debt. They feel the United States should mind its own business.

The President's view, and apparently the view of a majority in both houses, is that the United States already stands warned by both Japan and Hitler that in an Axis-controlled world a democracy cannot hope to exist; that if England goes down unaided she will line up with America's enemies to add to its confusion.

With combined powers of 800,000,000 people opposing our 130,000,000, Germany would control export that would jeopardize the living power of 3,000,000 U. S. cotton growers and 1,000,000 U. S. wheat exporters. The combined navies of a defeated England and the Axis powers would exceed ours by three times, and the ship building capacity would be six times that of the United States.

### Senate Is Key

Administration defense leaders say the power is needed at once, that every day lost is an opportunity lost. But they despair of having the bill passed before March 1, if then. They recall that conscription, for America's own defense, was debated almost six months and the program delayed a year, due to the approach of winter and inability to send men to camp because barracks were delayed until selective service was voted.

### PRODUCTION: All-Out Schedule

The National Automobile Manufacturers association has decided it will not hold its national show in New York this year. The industry is too busy with defense production. New models will come off the assembly lines as usual, but the yearly exhibits at the Grand Central Palace won't be held and neither will exhibits elsewhere, except in distributors' own show rooms.

Strikes in isolated sections cut somewhat into production, although the department of labor said that such stoppages were only a fraction

WASHINGTON, D. C.—Here is the new defense poster, printed in patriotic colors, which will be displayed by manufacturers after they have complied with instructions in connection with "Preparedness Through Production" week. Governors of more than a score of industrial states have proclaimed their willingness to co-operate with the defense commission and the National Association of Manufacturers by urging all manufacturers to register their facilities for defense production.

as compared to those during the war effort in 1917. One stoppage was at the Saginaw, Mich., plant of the Eaton Manufacturing company, where airplane parts are being made. It was called by the C.I.O. Automobile Workers who charged the firm refused to hire 300 men under an agreement signed last December after another strike. James F. Dewey, federal labor mediator, speeded to the scene in a hurry. He said he would take drastic steps if the plant was not in operation within 24 hours. The strike ended within that period.

In San Diego, Calif., a strike was threatened at the plant of the Ryan Aeronautical company. State draft headquarters issued a statement that men who went on strike would be considered by draft boards to have no employment and therefore no longer exempted from the selective service act as defense workers. The ruling stood less than 24 hours. Brig. Gen. Lewis B. Hershey, acting federal director of the law, revoked it.

Meanwhile Sidney Hillman, C.I.O. vice president and assistant director of the Office of Production Management, was ill in a Baltimore hospital. It is Mr. Hillman's job to handle labor problems in the defense effort and Washington was anxious over his condition and hoped for his speedy return.

### CONFERENCES: Miles Apart

Miles apart in spirit and purpose were two conferences. In Washington met President Roosevelt and Wendell Wilkie, who opposed him as the 1940 Republican candidate. They came together, agreed in advance that all aid must be given Britain to defeat Germany. They sought a formula to battle for that objective.

In Germany, Hitler and Mussolini met. The place of their conferences was kept a secret except that it was in Germany, and all telephones out of the Reich were closed down to prevent the knowledge getting about.

It was a subtle compliment to the British air force.

Previously when the two Axis partners met to discuss war plans, it was at Brenner pass, on the border of the two countries. This time Mussolini went to Hitler. There also was a subtle difference there. Il Duce had started out on a war of his own, took a licking on several fronts and required help to extract him from the situation which resulted.

Hitler was giving Italy such help, probably more than was desired. Not only did Hitler send troops, airplanes, tanks and soldiers. He also sent economic experts, another subtle point since economic experts always follow the German army into occupied territory to take over its economic life.

What transpired at the conference wasn't made public in detail. Announcements merely said the two leaders had made plans for the 1941 putsch on England. It was anyone's guess who made the plans and who gave the orders.

## TRENDS...

President Roosevelt is reportedly interested in a plan for pooling state reserves of the unemployment insurance system. Some states are building reserves far above needs, while others have inadequate funds.

Surveying the municipal bond market for the past 12 months, Barcus, Kindred & Co., Chicago, found an increase of \$70,245,400 in the volume of state and municipal financing last year compared with the year before. The 1940 total was \$1,168,849,885, compared with \$1,098,604,265 the year before. The rising trend was most pronounced in the closing months of the year.

Farm groups are suggesting that the United States demand of Great Britain a statement of its coming food needs, and that the administration propose a good quota of these be filled by American orders in proportion to the amount of defense materials allowed.

### IN THE ARMY: Yard Birds

Slang changes in the army as well as in civil life. Many veterans of the World war getting back into camp today would hardly know what some of the men were talking about. For instance, in 1917 a new recruit was a "rookie," today he is a "yard bird."

The army is anticipating many new "yard birds." Some of them bear names widely known in civil life. Others drew attention due to the methods of their arrival.

In the first class was Daniel R. Topping, millionaire owner of the Brooklyn Dodgers and husband of skater-actress Sonja Henie. He has a low draft number and was classified for immediate duty, although married. Said Topping: "My wife is scarcely dependent upon my income." In somewhat the same situation was Yehudi Menuhin, world famous violinist, also married. A California board ruled his wife, the former Nola Nicholas of Austria, has an independent income and Menuhin had acquired wealth through his musical genius which would provide for her. He asked for no exemption and received none. But he was given a 90-day leave in order to complete a planned South American tour.

Arthur Victory Christman, 22, was a "yard bird." He was born at 11 a. m. November 11, 1918, in New York. A draft board in New Jersey sent him to camp.

Wendell Grove, 26, a baritone horn player, read that the Third Infantry band at Fort Snelling needed his type of musician. He tried to enlist and was turned down because he is married. The next day he appeared at the recruiting office with a note which read: "I hereby certify that I have no objection to my husband entering the army for a year. Signed Mrs. Wendell Grove." He's a "yard bird" now.

Frank B. Thompson, 45, president of the \$5,000,000 Glenmore Distilleries, got a leave of absence and

WINSTON ROCKEFELLER, son of John D. Rockefeller Jr., aid to the army by a Selective Service board in New York city. He's a "yard-bird" now.

joined the Kentucky National Guard as a private, although he served in the World war as a lieutenant. The following day he was taken out of the ranks and made captain of the company in which he enlisted.

Leopold Stokowski, conductor of the Philadelphia orchestra and movie producer, is a special kind of "yard bird." He will devote three days a week to directing the Third Coast Artillery band at San Pedro, Calif.

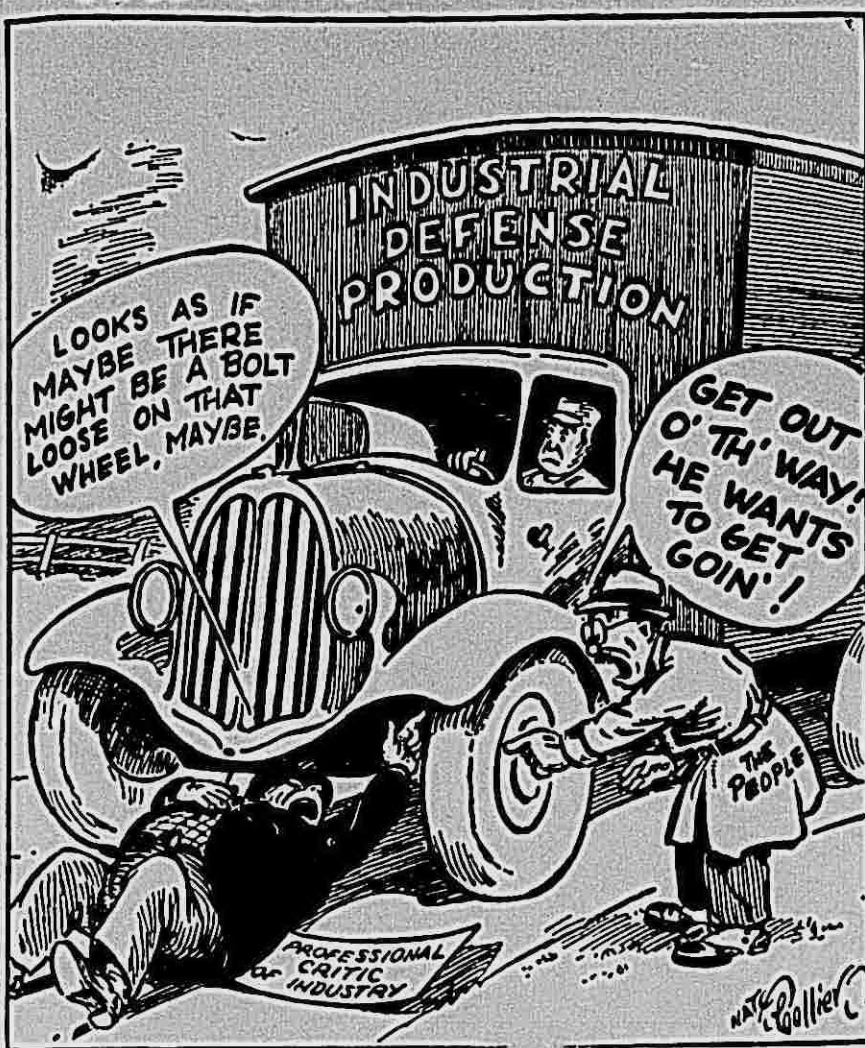

### MISCELLANY:

How the army has grown! Now there are more civilians employed by the army than there were soldiers in the entire military establishment a year ago. The war department announced that use of civilians in non-military work is a definite policy and that 180,000 are now so employed.

Declaration that a radio station "cannot be an advocate" but must represent all sides of public information "without bias" was made by the Federal Communications commission. The commission rebuked station WAAB of Boston for deviating from this policy, but renewed its license because it said the owner had pledged "not to color or editorialize" news in the future.

In the midst of the inaugural excitement, a daughter was born to Mr. and Mrs. Thomas Corcoran, once high on the staff of New Deal advisors.

## GOOD ADVICE FROM THE SIDELINES

## MILLBURN

Mr. and Mrs. Fred Hartman of Glendale, Cal., are the parents of a daughter, Barbara Ann, born Monday, Jan. 20. Mrs. Hartman is the former Ruth Edwards. Mrs. F. G. Edwards is spending two months with her daughter and family in California.

Mrs. Ralph McGuire and infant son returned home from Victory Memorial hospital Monday.

Mrs. Eva Alling of Waukegan visited friends in Millburn Saturday afternoon.

## There Is Hope

THERE is no hopelessness to those who trust in God as the loving, omnipotent, omnipresent Father and protector that He has been through all the ages. In periods of deep distress, such as the world is now passing through, the suggestion of futility presents itself over and over again. The belief in fatality attempts to establish the sense that man is a helpless victim of evil.

During times of war this false sense may say: "What is the use? What can be gained? There is no certain way out." But there is hope. There is always a way out. Even when the evidence before the physical senses seems aggressive, God is All. His glorious supremacy unchanged. When thoughts are deeply stirred, then do the words of Christ Jesus come clearly to us (Luke 21:28). "And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh."

Every effort of mortal mind to tear down, to destroy, turns thought to the power of God and His goodness; for the destruction which seems to rage requires of us a clearer realization of the eternal fact that since God is omnipresent, He is ever at hand. As we turn to Him unreservedly, the loveliness of divine reality appears to our spiritualized thought.

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures" (p. 97), "The more destructive matter becomes, the more its nothingness will appear, until matter reaches its mortal zenith in illusion and forever disappears." The effort of evil is to make all men acknowledge that it is something, and that it has power; that the world is in a critical condition; that civilization is threatened; that evil can overthrow good; but the old adage comes to thought with renewed clarity: "It is always darkest just before the dawn." In the midst of strife and darkness it may seem hard to comprehend the altness of God; but the childlike trust which loves Him, finds Him always at hand. . . .

The disappearance of evil is assured, even when error attempts to make itself heard above the ringing voice of Truth. Because of the oppressiveness of error one may seem to be hypnotized by it. But if, instead, one maintains his poise and quietness of heart, above the discordant cries of mortal belief the clear, ringing call of Truth will be heard. It can never be silent, but one requires spiritual listening, in order to be aware of it. Truth is not in the detonations of error, but one must lift one's thought to be able to hear the tones of good. . . .

The Bible continually points to life as eternal, and reveals man as one with God, Life. There should therefore be no despondency, no despair, no sense of uselessness, no lack of hope. We are not looking sadly upon the ashes of our endeavors. Rather are we looking up to see materiality disappear in the revelation of true being. Today offers rich opportunities to prove the supremacy of Spirit. Only in this way can we overcome the seeming aggressiveness of evil, and realize that God, good, is All. . . .

It is easy to yield to utter hopelessness in the face of evil claims of large numbers, greater force, or a cunning craftiness; but Mind is able to destroy any seeming cleverness that mortal mind may present, and there is never a moment when Mind is absent. Man is always in the presence of his heavenly Father. Mind illumines, protects, and leads from darkness into light. No matter how clouded the way, how desperate the situation, how befogged the mental outlook may appear to be, the one omnipresent divine intelligence leads into the enlightening knowledge of safety.

In her Message to The Mother Church for 1902, Mrs. Eddy writes (p. 11), "Divine Love waits and pleads to save mankind—and awaits with warrant and welcome, grace and glory, the earth-weary and heavy-laden who find and point the path to heaven."—The Christian Science Monitor.

up the cowhand-sheep herder feud and try to effect a settlement. The ring-siders had better get under the ring when these boys go to it. All in all summed up it looks like an evening of swell entertainment. Refreshments will be handled by the ladies of the Legion auxiliary, and the Grayslake firemen will usher.

Tickets for the show can be purchased at Peg's tavern, Grayslake, Curlee's Drug store, Waukegan, Bud's Tavern, Antioch, or reserved by calling M. Wightman, Grayslake. The price is \$1.00, tax included. The entire profits on this show will go to swell the county fund for the fight on infantile paralysis. This fund is collected throughout the county by various organizations who sponsor dances, card parties and socials in connection with the President's birthday, in a nationwide drive on infantile paralysis, better known as the "March of Dimes."

## March of Dimes

Started five years ago the movement was looked on by some as a political gesture, but national publicity and widespread humanitarian results have changed the picture, and today the movement is supported by the entire country regardless of political affiliations. One half of the money raised in Lake county remains in the county to be used for combating the disease and the after effects.

According to Joseph Daly, chairman of the Lake County committee, "\$1200 was raised in 1940, of which \$600 remained in Lake county and was used in aiding 7 persons stricken out of ten cases reported. The 50 per cent of the funds which are sent to the National Foundation are used for research work in tracking down clues that might shed some light on what causes the disease, and for sending workers out in the field to chart the courses of epidemics. The combination of National and local bodies means that no case of infantile paralysis is neglected. If the victim is without funds, the dimes and dollars you contribute go to pay for medical assistance, and to supply the splints and braces needed to prevent serious after effects. All this is not very pleasant but we're fighting this campaign against a cruel and vicious enemy. But there isn't anything depressing in the way we fight the battle. We do it in the typical American way

to the accompaniment of music, or in the form of sportive entertainment such as the committee at Grayslake has concocted for Friday night, Jan. 31, at the Grayslake Grade School auditorium."

## ANTIOCH HIGH WHIPS GRANT, 27 TO 20

For the second time this season the Antioch Township Basketball team defeated Grant High school 26 to 24 and 27 to 20. In both contests the Grant Bulldogs tried desperately to overcome the smooth working offense which left the local team in the lead.

This Friday night the Sequoia battle Palatine, the Conference leader, winner of seven straight conference games. Antioch, which is in second place, is going to try to give them their first taste of defeat. Although Palatine has defeated Hebron, Dundee, New Trier, and other outstanding teams, Coach Childers states that Palatine is due for an upset, and he thinks Antioch can do it.

## "Donkey Basketball" Is Attended by 300 Persons

Three hundred attended the donkey basketball game held in the Antioch High school gymnasium Thursday evening as a benefit for the fire department.

The "donkey basketball" feature game, with a Lions team versus the Firemen, ended in a 10-8 victory for the Lions.

In a special feature, "Doc" King's colored team of Waukegan had a 28-26 victory over the Antioch City team.
